TigerPROFILES Commitment to Excellence Highly Awarded

Thursday 28/10/2010: The Arabia CSR (Corporate Social Responsibility) Network awarded 11 companies across the Arab world who were committed to making a difference in a day dedicated to Corporate Social Responsibility and Sustainability, at the Raffles Wafi Hotel.

A total of 62 companies across the Arab world competed in this third cycle of the Arabia CSR Awards, which made them stand out as trailblazers in the field of CSR.

Supported by the United Nations Global Compact and considered as the most significant award scheme for CSR best practices in the region, the Arabia CSR Awards has witnessed tremendous response from all sectors of corporate organizations from the entire Arab World. Since its inception in 2008, the Awards has witnessed participation from more than 215 entries from the GCC, Levant and Northern Africa.

Participating under the category of “Small company” – (staff of 1-50 excluding labors), **TigerPROFILES**, was hailed as an outstanding participant and highly rewarded for the quality of its application and its commitment to excellence in its CSR strategy.

TigerPROFILES was awarded second runner up in the category that saw the toughest competition due to the largest number of international newcomers.
